

The Resisters, Eric Nylund, Random House Children's Books, 2012, 0375872248, 9780375872242, 210 pages. Million-copy bestselling Halo author and game developer Eric Nylund brings action-packed science fiction to a young audience with this riveting children's debut. Twelve-year-old Ethan Blackwood has always known exactly what he wanted to win the state soccer championship, get into the best high school, and become an astronaut. Then he meets Madison and Felix, who tell him something . . . insane. They claim that 50 years ago, aliens took over the earth, and everyone past puberty is under their mind control. Ethan doesn't believe it. But then he sees for himself the aliens' monster bug robots and the incredible way that Madison and Felix have learned to fight them. So Ethan Blackwood has a choice: he can go back to his normal, suburban, protected lie of a life or he can become a Resister. This science fiction on the lines of Scott Westerfield and Cory Doctorow for middle graders is now available in paperback..
